To Whom It May Concern,

I am writing to provide a professional reference for John Cross, who has worked with Johnny Z Productions on two occasions: first in 2024, in the role of Sam in our film *Celestial Prankster*, and most recently in 2025, portraying John in *Lost Fish*.

In both productions, John Cross demonstrated a reliable and diligent approach to his responsibilities. He prepared thoroughly for each role and engaged thoughtfully with the material and his fellow cast members. His conduct on set and during his performance was consistently professional, and he contributed positively to the collaborative environment of the production of both films.

John's acting feels real and heartfelt. He can switch from serious to funny so naturally, it's hard not to watch him. Every role he takes on has something genuine in it. You can tell he works hard and really loves what he's doing, and that makes him stand out

John Cross has shown himself to be dependable and conscientious, and I believe he would be a suitable candidate for further acting opportunities. I am pleased to provide this reference in support of his continued work in the field.

Yours sincerely, Johnny Zhao
