

SCENE TO Believe

Reference Letter – John Cross

31st December 2025

To Whom It May Concern,

I am pleased to provide this reference for John Cross, who has worked with us in 2025 as a Santa Character for Scene to Believe Australia.

John has been outstanding in this role. He is consistently punctual, highly reliable, and demonstrates a natural ability to connect with both children and animals. He has frequently stepped in to cover shifts at very short notice, worked long hours when required, and has never once been late.

Beyond his reliability, John brings genuine warmth and enthusiasm to his role. He truly loves what he does and has an exceptional ability to make people feel special, comfortable, and entertained.

John's dedication, character, and performance set him apart. He is an exceptional Santa. I would not hesitate to recommend John for any Santa or performance role.

Kind regards,

Margaret Wolff
Santa Team Leader
